

## Holiday Artisan Market Rules

1. Vendors will occupy a single stall that will fit up to a 10x10 foot tent. If more space is needed, vendors may purchase a second stall.
2. Vendor tents must be weighted down to prevent injury and accidents.
3. **Vendors are not permitted to park in their stall spaces.** Vendors may park their car in the street to unload their vehicle, but should remove everything from their vehicle, park their car, and walk back to their stall space. Catapult has agreed to allow parking in the back of their facility for our vendors.
4. Vendor stalls must be decorated in holiday decor
5. Vendors will be ready to sell at 10am and will tear down at 4pm. Set up can begin as early as 9am.

7. If a vendor sells out, they may place a "sold out" sign in their booth, and leave until tear down, but their setup must remain in place until tear down due to public safety.
